

Dear Fellow Dog Lover,

Thank you for your recent inquiry about our training classes. We are very proud of our training history and hope you will decide to join us. We currently offer two classes to train the general public, one specifically for training puppies and one for dogs over 6 months old. A third class, Canine Good Citizen, is available to those who have completed the puppy/basic class or can demonstrate knowledge of the skills from those classes. Additional classes and one-on-one sessions are available for those who are interested in improving their competition obedience performances. Please make note of the following important information that pertains to all classes: 1) Enrollment in each class is limited to 6 dogs or puppies. We cannot reserve a spot in class for you until we receive a completed application and payment in full. Classes normally fill up 1 to 2 weeks ahead of time. 2) No dog or puppy will be allowed in the training area without a vaccination history (written proof, signed by your veterinarian that your dog or puppy is current on the required age-appropriate shots). You may bring the signed vaccination history with you on the first night of class or submit it in advance with your application. The vaccination history must remain "on file" with us, so please make sure the copy you bring is not the only one you have for your records. 3) No refunds will be given after the first training. 4) Classes are currently held outdoors at 6485 Woodbrook Rd., Albany, Ohio – at the location of The Athens Dog Groomer (near the Budweiser building and Christ Community Wesleyan Church). In case of inclement weather, we will meet at the indoor training barn near Amesville. 5) Handlers must be 12 years of age or older. 6) Our telephone number is 740-600-1071. Please call if you have any questions.
